

Glendale Agricultural Society RISK ASSESSMENT FORM 2018

It is recommended that this form is completed by a trained/competent Health & Safety person and that it is complete using **BLOCK CAPITALS**.

The completed Risk Assessment should cover **all** the '**Risks**' associated with the **build-up, breakdown and general running** of your stand. You must endeavour to remove or reduce these risks and protect people from harm.

Failure to comply with this requirement will result in you being removed from the site.

This signed and completed form must be maintained and available for inspection by the Health & Safety Executive, Event Organiser and Society Officials at all times on show day. A copy must also be sent in along with the completed application form.

Please note that an example Risk Assessment can be downloaded from www.glendaleshow.com

If you have your own Risk Assessment paperwork in place then we are happy to accept it; provided it is deemed to be suitable and sufficient by our H&S Advisers.

IT IS YOUR RESPONSIBILITY TO ENSURE THAT SUITABLE AND SUFFICIENT RISK ASSESSMENTS ARE CARRIED OUT FOR YOUR UNDERTAKING (OPERATIONS).

FIRE RISK ASSESSMENT FORM 2018

It is recommended that this form is completed by a trained/competent Health & Safety person and that it is complete using **BLOCK CAPITALS**.

The completed Risk Assessment should cover **all** the 'Fire Risks' associated with the **build-up, breakdown and general running** of your stand. You must endeavour to remove or reduce these risks and protect people from fire.

Failure to comply with this requirement will result in you being removed from the site. You **MUST** answer all the following questions by ticking the appropriate box.

This signed and completed form must be maintained and available for inspection by the Fire & Rescue Service, & Society at all times. A copy must also be sent in with your completed application form.

If you have your own Fire Risk Assessment paperwork in place then we are happy to accept it; provided it is deemed to be suitable and sufficient by our H&S Advisers.

IT IS YOUR RESPONSIBILITY TO ENSURE THAT SUITABLE AND SUFFICIENT FIRE RISK ASSESSMENTS ARE CARRIED OUT.

	YES	NO	N/A
1. Are adequate exits provided for the numbers of persons within the unit/stand? (Are the staff and customers able to evacuate if the normal exit is blocked?)			
2. Where necessary, are there sufficient directional signs indicating the appropriate escape route and do they comply with current regulations?			
3. Are the exits maintained available, unobstructed and unlocked at all times the premises are in use?			
4. If the normal lighting failed would the occupants be able to make a safe exit? (consider back up lighting such as torches)			
5. Do you ensure that your marquee never becomes overcrowded to guarantee the safe escape if the occupants in the event of a Fire?			
6. Is all electrical equipment PAT tested by a competent person and kept in a safe condition?			
7. Do you have an adequate number of fire extinguishers/fire blankets available in prominent positions and easily available for use?			
8. Has the fire-fighting equipment been tested within the last 12 months? Note: a certificate of compliance will normally be required.			
9. Have your staff been instructed on how to operate the fire-fighting equipment provided?			
10. Have your staff been made aware of what to do should an incident occur, how to raise the alarm, evacuate the stand as well as the exit locations?			
11. Have you identified combustible materials that could promote fire spread beyond the point of ignition such as paper/cardboard, bottled L.P.G. etc and reduce the risk of them being involved in an incident?			
12. Have you identified all ignition sources and ensured that they are kept away from all flammable materials?			
13. Are the structure/roofing/walls and fittings of your stand flame retardant? Note: a certificate of compliance will normally be required.			
14. If any staff sleep in the stand is there a working smoke detector and a clear exit route at night? Note: Persons should not be allowed to sleep within a high risk areas. + permission must be sought prior to the event for any overnight occupancy			

	YES	NO	N/A
15. Are you aware that you must not stock or sell certain items i.e. fireworks, gardenflares etc?			
16. Do you have sufficient bins for refuse collection within your stand?			
17. Are you aware that only silent running generators, fully serviced/maintained and certified for safe use are permitted on site?			
18. Do you have an inspection/gas safe certificate for the appliances and pipework (copy to be available for inspection) and are all hose connections made with 'crimped' fastenings?			
19. Are the L.P.G cylinders kept outside, secured in the upright position and out of the reach of the general public?			
20. Are appliances fixed securely on a firm non-combustible heat insulating base and surrounded by shields of similar material on three sides?			
21. Are the L.P.G. cylinders located away from entrances, emergency exits and circulation areas?			
22. Are the L.P.G cylinders readily accessible to enable easy isolation in case of an emergency?			
23. Do you ensure that all gas supplies are isolated at the cylinder, as well as the appliance when the apparatus is not in use?			
24. Do you ensure that only those L.P.G. cylinders in use are kept at your stand? Any spares should be kept to a minimum and in line with an specific conditions for the event			
25. Is a member of staff, appropriately trained in the safe use of L.P.G., present in the stand at all times?			

**If the answer to any of the above questions is 'No',
Please detail the actions you have taken to remedy the situation.**

PLEASE NOTE:

This document does not preclude you from possible prosecution or removal from the site by organisers, should a subsequent inspection reveal unsatisfactory standards.

Food & Hospitality
All exhibitors must fill in this application
2018 Glendale Agricultural Show Monday 27th August

Hospitality services are welcomed within exhibition stands at the Show provided they comply with all the appropriate Local Authority standards and all other food safety management legislation.

Hospitality catering at the Show can range from teas, coffees and packaged snacks, to the use of an outside caterer. However, you should bear in mind that any Trade Stand Exhibitor offering food on their Stand is subject to all the same food safety legislation that would apply to any food business. An example of this could be a BBQ held back of house for prospective customers. General advice and information on training can be found on the Food Standards Agency web-site. <http://www.food.gov.uk/>

If you intend to do your own catering, advice should be obtained from the Local Authority Environmental Health Department.

When offering any food the Exhibitor has full responsibility for complying with the requirements of the Northumberland County Council in respect of all food offered for sale or otherwise provided at their stand.

No normal market sized food or beverage packaged goods are permitted as giveaways from Trade Stands. Only sample sizes may be provided.

ALCOHOL

Trade Exhibitors may provide alcohol **within their Stand** free of charge providing they ensure compliance with the Licensing Act 2003

Trade Stand Exhibitors may not sell alcoholic drinks for immediate consumption or on an off sales basis from outdoor Trade Stands.

If anyone has any queries regarding the above, please contact: Licensing Enforcement
Public Protection, Northumberland County Council, County Hall, Morpeth, Northumberland NE61 2EF

FOOD

I / We do intend/do not intend (please delete as appropriate) to offer hospitality on our Stand at the 2018 Glendale Show and agree to comply with all relevant Environmental Health legislation
